

Alberto Acerbi

Lecturer (Assistant Professor)

Brunel University London, Uxbridge, UB8 3HP, United Kingdom

✉ alberto.acerbi@brunel.ac.uk 🌐 acerbialberto.com | Updated: Jul. 7, 2022

Current position

Centre for Culture and Evolution, Division of Psychology, Brunel University London (UK)

Lecturer / Assistant professor

2019-current

Previous positions

School of Innovation Science, Eindhoven University of Technology (The Netherlands)

Researcher

2015-2019

Department of Archaeology and Anthropology, Bristol University (UK)

Newton Research Fellow

2013-2104

Centre for the study of cultural evolution, Stockholm University (Sweden) & Università di Bologna (Italy)

Post-doctoral researcher

2008-2012

Max Planck Institute for Evolutionary Anthropology, Leipzig (Germany)

Post-doctoral researcher

2007-2008

Institute of Cognitive Sciences and Technologies, CNR, Roma (Italy)

Research assistant

2004-2007

Education

PhD, Anthropology, Università di Siena (Italy)

2007

MA, Philosophy (cum laude), Università di Siena (Italy)

2002

Publications

BOOKS

1. **Acerbi A**, Mesoudi A, Smolla M (2022), *Individual-based models of cultural evolution. A step-by-step guide using R*, New York: Routledge. Online free version available at: <https://acerbialberto.com/IBM-cultevo>
2. **Acerbi A** (2020), *Cultural Evolution in the Digital Age*, Oxford: Oxford University Press.
Arabic translation (2021), Arab Scientific Publishers, Inc.

PREPRINTS

1. Altay S, **Acerbi A** (2022), Misinformation Is a Threat Because (Other) People are Gullible, available at: <https://psyarxiv.com/n4qrj>
2. Altay S, Berriche M, **Acerbi A** (2021), Misinformation on Misinformation: Conceptual and Methodological Challenges, available at: <https://psyarxiv.com/edqc8>

3. Youngblood M, Stubbersfield JM, Morin O, Glassman R, **Acerbi A** (2021), Cultural transmission bias in the spread of voter fraud conspiracy theories on Twitter during the 2020 US election, available at: <https://psyarxiv.com/2jksg>
4. **Acerbi A** (2021), Digital culture, available at: <https://osf.io/cjk4r/>
5. **Acerbi A**, Sacco PL (2021), The self-control vs. self-indulgence dilemma: A culturomic analysis of 20th century trends, available at: <https://osf.io/xgqt5/>
6. **Acerbi A**, Snyder WD, Tennie C (2020), Ape cultures do not require behavior copying, available at: <https://www.biorxiv.org/content/10.1101/2020.03.25.008177v1>

JOURNAL ARTICLES

1. **Acerbi A** (2022), From storytelling to Facebook. Content biases when retelling or sharing a story, *Human Nature*, 33, 2
2. **Acerbi A***, Altay S*, Mercier H (2022), Research note: Fighting misinformation or fighting for information?, *Harvard Kennedy School Misinformation Review*, 3, 1 (*equal contribution)
3. **Acerbi A**, Charbonneau M, Miton H, Scott-Phillips T (2021), Culture without copying or selection, *Evolutionary Human Sciences*, 3, e50

Recent/forthcoming conference presentations, invited talks and workshops

Misinformation on misinformation, PCNet22 (Political Communication Networks), satellite workshop of NetSci 2022, Shanghai, China, July 18, 2022 (keynote speaker)

Can digital media boost cumulative cultural evolution in the arts?, Cultural Evolution & Computational Humanities, Max Planck Institute for the Science of Human History, Jena, Germany, June 29 - July 1, 2022 (invited)

Digital age: the long view, Centre for the study of cultural evolution, Stockholm University, Stockholm, Sweden, May 19, 2022 (invited)

Simulare la cultura, Giornata in onore di Domenico Parisi, Università La Sapienza, Roma, Italy, May 6, 2022 (invited)

Misinformation: the long view, Misinformation in the Digital Age : Comparative Contexts and Policy Lessons, IAST, Toulouse, France, May 5-6, 2022 (invited)

Social influence and misinformation online, Oxford Brookes Centre for Psychological Research Seminar Series, Oxford, UK, April 27, 2022 (invited)

Digital age: the long view, CBEN Cultural Evolution, University of Tilburg, The Netherlands, November, 18-19, 2021 (keynote speaker)

Why is misinformation on misinformation successful?, MatchPoints 2021 - Democracy and Culture in the Digital Age, Aarhus University, Denmark, May, 27-29, 2021 (invited)

Attrattori culturali e disinformazione online, La narrazione come incontro. Le teorie della narrazione tra cognizione, evoluzione e computazione, La Sapienza University, Roma, Italy, May, 21, 2021 (invited)

Digital age: the long view, Centre for Logic and Philosophy of Science seminar, KU Leuven, Belgium, May, 14, 2021 (invited)

Digital age: the long view, ROPH (Research on Online Political Hostility) seminar, Aarhus University, Denmark, April, 14, 2021 (invited)

From storytelling to Facebook. Content biases are stronger when retelling a story than when sharing it, EHBEA 2021, online, March, 24-27, 2021

Cultural evolution in the digital age, Plymouth Psychology Seminars, University of Plymouth, UK, November, 25, 2020 (invited)

Cultural evolution in the digital age, Evolutionary Anthropology Seminars, University College London, UK, October, 20, 2020 (invited)

Cultural evolution on the web, WebSci20, Southampton, UK, July, 7, 2020 (invited)

Digital age: the long view, Seminar Series, Oxford Internet Institute, Oxford University, UK, February 25, 2020 (invited)

Teaching

Brunel University London, module co-leader - Psychology of social media - from 2021

Brunel University London, module leader - Statistics - from 2020

Brunel University London, team taught modules - Evolutionary perspective on culture, Special topics in culture and evolution, Cross-cultural and evolutionary research methods - from 2020

Brunel University London, guest lecturer - Individual differences, Introduction to Bioinformatics - 2020

Ecole Normale Supérieure, guest lecturer - Introduction to Cognitive Social Sciences - 2020 and 2018

Eindhoven University of Technology, module leader - Evolutionary Foundations of Innovation Science - 2018 and 2017

University of West England, guest lecturer - Research Skills - 2018, 2015, and 2014

Eindhoven University of Technology, teaching supervisor - Introduction to Modelling - 2017 and 2016

University of Bristol, seminar series (8 seminars) - Anthropology and Well-being - 2015

University of Bristol, guest lecturer - Contemporary Theory in Anthropology, Advanced Writing in Archaeology and Anthropology, Anthropological Methods - 2015 and 2014

University of Bristol, teaching assistant - Contemporary Theory in Anthropology - 2013

Stockholm University, guest lecturer - Human ethology - 2012 and 2011

Supervision

From 2020: 8 MSc projects and 6 BSc projects at Brunel University London
two MRes projects (co-supervision) at the University of Bristol (2014-2015)

PhD Panels Member

Niels Lettinga: Environmental adversity and prosocial preferences, and a new methodology to increase the external validity of economic games, Ecole Normale Supérieure, Paris - 2021

Bradley Peter Walker: Evidence that Cultural Transmission Biases Differentially Influence Human Communication, The University of Western Australia - 2021

Jose Segovia Martin: Social and cognitive constraints on the evolution of culturally transmitted variants: Models, experiments and theory, Universitat Autònoma de Barcelona - 2020

Simon Carrignon: Content-Dependent Biases in Social Learning Strategies: a multiscale approach, Universitat Pompeu Fabra, Barcelona - 2019

Grants and awards

BRIEF award (2020): ~ 9,000 GBP ("From storytelling to Facebook. Does the medium of transmission change which content is successful?")

Newton International Fellowship (2013-2014): ~ 187,000 GBP ("Cultural Evolution Online. New models for a new era")

Wenner-Gren foundation (2010-2012): ~ 24,000 GBP

Editorial board member

Culture and Evolution (AKJournals)

Reviewer

Books: Berghahn Books, Cambridge University Press, MIT Press.

Grant applications: Cultural Evolution Society Transformation Fund, National Science Foundation (NSF), EHBEA 2014 Student Research Grant Competition, Swedish Research Council (Individual Grant Application), Knut and Alice Wallenberg Foundation (Wallenberg Academy Fellows).

Journals: Acta Biotheoretica, Animal Behaviour, Advances in Complex Systems, Behaviour & Information Technology, Behavior Research Methods, Biology & Philosophy, Biology Letters, Cognitive Science, Cognitive Systems Research, Cognition, Connection Science, Current Zoology, Evolution and Human Behavior, Evolutionary Anthropology, Evolutionary Human Sciences, Evolution Medicine and Public Health, Frontiers in Ecology and the Environment, Frontiers in Psychology, IEEE Autonomous Mental Development, Interaction Studies, Journal of Evolutionary Psychology, Journal of Artificial Societies and Social Simulations, Journal of Cognition and Culture, Journal of Experimental Psychology: General, Journal of General Philosophy of Science, Journal of Theoretical Biology, Learning & Behavior, Mathematical Anthropology and Cultural Theory, Nature, Nature Human Behaviour, Nature Communications, New Media & Society, Palgrave Communications, Philosophy of Science, PLoS ONE, Proceedings of the Royal Society B, Royal Society Interface, SAGE Open, Scientific Reports, SN

Social Sciences, Synthese, The British Journal for the Philosophy of Science, Trends in Ecology and Evolution.

Conferences: CHR2022, CHR2021, CHR2020, Applications in Cultural Evolution: Arts, Languages, Technologies 2018, ISBE 2016, ECSI 2014, ECAL 2013, EPOS V, WIVACE 2012, WIVACE 2008, SAB 2008, WIVACE 2007, ECAL 2007, EEG 2007, SAB 2006, WIVA III.
